

Activating your Benefit Bank card

As a member of one of our Fallon Medicare Plus™ or Fallon Medicare Plus™ Central Orange, Green, Blue or Premier HMO plans, you have a valuable benefit available to you—the Benefit Bank. You can use the Benefit Bank to pay for dental care, eyewear, fitness memberships (including approved online programs and WW® online membership) and hearing aids, up to your allowable amount.

Activating your card

Be sure to have your Fallon Medicare Plus™ member ID card available. You will need your member ID number to activate your Benefit Bank card.

Call 1-833-647-9633. This phone number is also located on the sticker on the front of your Benefit Bank card. The prompts will guide you through the following process:

1. Press the number that corresponds to your language preference. For example: press 1 for English, or press 2 for Spanish.
2. Enter your 16-digit Benefit Bank card number (found on the front of your Benefit Bank card).
3. When prompted, press 1 to proceed.
4. Enter the last 4 digits of your Fallon member ID number. **Do NOT enter your Social Security number.**
5. Enter your 3-digit CVV code (found in the signature panel, on the back of your Benefit Bank card).
6. If you'd like to create a PIN number for extra security, press 1. If you'd like to exit, press 2.
7. Your card is now activated.
