If you enroll in an option that does not have a monthly premium and we determine that you owe a late enrollment penalty (or if you currently have a late enrollment penalty), we will need to know how you would prefer to pay it. Please select a payment option from below to pay a late enrollment penalty.

If you enroll in a plan with Medicare prescription drug coverage that has a monthly premium and we determine that you owe a late enrollment penalty (or if you currently have a late enrollment penalty), you will pay this through the payment option you select below because it will be included with your monthly premium.

For more information on premiums and prescription drug costs based on your income, please refer to the last page.

Fallon Health is a plan that has a contract with the Federal government.

I understand that if I am getting assistance from a sales agent, broker, or other individual employed by or contracted with Fallon Health, he/she may be paid based on my enrollment in Fallon Medicare Plus.

Release of information: By joining this Medicare health plan, I acknowledge that the Medicare health plan will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that Fallon Health will release my information including my prescription drug event data (if applicable) to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan. I understand that people with Medicare aren't covered under Medicare while out of the country except for limited coverage near the U.S. border.

I understand that beginning on the date Fallon Medicare Plus coverage begins, I must get all of my health care from Fallon Medicare Plus, except for emergency or urgently needed services or out-of-area dialysis services. Services authorized by Fallon Medicare Plus and other services contained in my Fallon Medicare Plus *Evidence of Coverage* document (also known as a member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR FALLON MEDICARE PLUS WILL PAY FOR THE SERVICES.**

Information on premiums and prescription drug costs based on your income:

If you enroll in a plan with Medicare prescription drug coverage and you are assessed a Part D Income-Related Monthly Adjustment Amount (IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or the Railroad Retirement Board (RRB). DO NOT pay Fallon Health the Part D-IRMAA.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Many people qualify for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp.

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium for this benefit. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.
